

Law and Internet Foundation and Comenius University in Bratislava
invite you to the

INFORM WORKSHOP FOR COURT STAFF TRAINERS

INTRODUCTION OF THE DATA PROTECTION
REFORM TO THE JUDICIAL SYSTEM

INFORM

12-13 February 2019

Bratislava, Slovakia

www.informproject.eu

The INFORM workshop will provide an exhaustive overview on the rights and obligations of court staff in the light of the new EU data protection legislation. The workshop will present to the participating trainers possible approaches and methodologies that could be adopted in their mission to further train the INFORM's ultimate target groups.

A parallel workshop will be held on 29-30 November 2018 in Brno, the Czech Republic.

This project is funded by the EU. This document has been produced with the financial support of the Justice Programme (2014-2020) of the European Union. The contents of this document are the sole responsibility of the authors and can in no way be taken to reflect the views of the European Commission.

INFORM WORKSHOP FOR COURT STAFF TRAINERS

AGENDA

12.02.2019

08:30 – 09:00	Early registration
09:00 – 10:00	Introduction to the personal data protection under the GDPR and the Directive 2016/680 <i>Voluntary session that allows participants to refresh their general knowledge of personal data protection under the GDPR and the Directive 2016/680 as well as the understanding of the delimitation between these two legal acts in order to fully benefit from the in-depth discussions in the later sessions of the workshop.</i>
10:00 – 10:30	Registration and coffee break
10:30 – 12:00	(1) Specifics of personal data protection with regard to court staff work tasks <i>This session will discuss aspects of personal data protection under the GDPR and the Directive 2016/680 relevant to court staff and will further focus on differences between member states in organisation of judiciary and court staff and the impact of these structural specifics on the personal data protection obligations and requirements.</i>
12:00 – 13:00	Lunch
13:00 – 14:30	(2) Technical and organisational measures for personal data protection <i>Participants will be offered insight into technical and organisational requirements for court staff operations with respect to the level of implemented eJustice capacities. Further specific topics will be discussed, e.g. the differing approaches to open availability and publication of court decisions.</i>
14:30 – 15:00	Coffee break
15:00 – 16:30	(3) Rights of the data subject and communication with data subject <i>This session will discuss the limitations of data subject rights towards court as personal data controller and also procedural approaches to dealing with the data subjects' requests and complaints regarding personal data processing.</i>
19.00	Dinner followed by informal meeting and discussion

INFORM WORKSHOP FOR COURT STAFF TRAINERS

AGENDA

13.02.2019

10:00 – 10:30	Registration
10:30 – 12:00	(4) Cross-border data transfers and international judicial cooperation <i>The focus of this session will be the requirements for protection of personal data during international judicial cooperation within as well as outside of European Union. The proposal for a Regulation on European Production and Preservation Orders for electronic evidence in criminal matters will also be taken into consideration and discussed.</i>
12:00 – 12:30	Concluding session: takeaways & reflections <i>The workshop will be concluded with remarks unifying the four specific areas discussed in previous sessions and participants will be invited to give direct feedback or discuss further issues with respect to personal data protection during court staff work tasks.</i>
12:30 – 13:30	Lunch
